TOUR OVERVIEW

Overview: Discover Cham Island's Underwater World

Embark on a captivating full-day excursion to Cham Island, an idyllic marine protected area off the coast of Hoi An. This tour caters perfectly to beginners eager to experience scuba diving for the first time, providing a safe and guided introduction to the vibrant marine life beneath the waves. Beyond the thrill of diving, you'll enjoy relaxing on a picturesque beach and a scenic boat journey.

Experience the Underwater World

The core of this adventure is a guided coral reef dive. Under the supervision of a qualified PADI professional, you'll learn essential safety protocols and equipment usage before descending into the clear waters. This allows you to breathe underwater and observe the colorful ecosystems of Cham Island up close, making it an accessible entry point into the world of scuba diving.

Island Relaxation and Scenic Return

Following your underwater exploration, the tour includes a delightful lunch served at Bai Chong beach, a beautiful spot lined with coconut trees. The afternoon offers leisure time to swim, play beach games, or simply unwind in a hammock, soaking in the serene coastal atmosphere. The day concludes with a leisurely cruise back to Hoi An, providing stunning views as local fishing boats dot the Thu Bon River, perfect for photography enthusiasts.

Who This Tour Suits

This tour is ideal for active travelers and those seeking a blend of relaxation and adventure. It's particularly well-suited for individuals who have always wanted to try scuba diving but lack formal training, as no previous experience is required. Families and friends looking for a memorable day trip from Hoi An will also find this itinerary appealing.

Practical Details

The tour includes convenient hotel transfers within the Hoi An area, ensuring a smooth start and end to your day. All necessary diving equipment, marine park fees, and a PADI insurance policy are covered. Refreshments and a delicious lunch are also provided, allowing you to fully enjoy your island experience without additional worries.

DAY-BY-DAY ITINERARY

Day 1 — Cham Island Scuba Introduction & Beach Relaxation

Meals: Lunch | Transport: Hotel transfer, Express Boat, Cruise boat

Your day begins with a convenient pickup from your hotel in the Hoi An area at approximately 8:00 AM. From there, you will be transferred to the boat dock to board an express boat bound for Cu Lao Cham, also known as Cham Island. The journey across the water takes about 30 minutes, offering initial views of the coastline as you approach the island.

Upon arrival at Cham Island, preparations for your diving experience commence. You'll receive a thorough introduction to dive safety and essential theory, followed by a detailed briefing on the equipment you'll be using. A qualified PADI Professional, who is multilingual, will then conduct a dive briefing before leading you on a captivating coral reef dive. This underwater exploration will last approximately 35-40 minutes, allowing you to discover the ocean's beauty firsthand.

Following your dive, you'll gather for a delightful lunch served at the spectacular Bai Chong beach. Enjoy your meal in a charming bamboo-style restaurant nestled under swaying coconut trees, offering a truly picturesque setting. The afternoon is dedicated to leisure time on Bai Chong, where you can choose to swim in the clear waters, participate in beach games like frisbee or volleyball, or simply relax in a hammock or deck-chair with a refreshing drink, all while taking in the sensational views.

As the perfect day draws to a close, you'll embark on a slow cruise back towards Hoi An. This return journey offers amazing photographic opportunities as local fishing boats begin to depart from Hoi An's Thu Bon River, creating a serene and memorable end to your island adventure.
